Tour of art murals in Kudat town.

Contact: Chong Ket Pin +6014 371 4166

We met Kudat artists Chong Ket Pin who has been commissioned by the town council and private shop owners to do murals around Kudat town and give the town an artsy vibe. Chong took us on a tour to show us some of his murals. Public wall areas such as the main market, the jetty terminal, coffee shops, the Kudat town council building and Kindergartens have been adorned with interesting and colourful contemporary murals depicting culture, landmarks, nature and fantasy.
